GETTING TO KNOW: Stewart Smith

This week, we are going to shine our spotlight on our very own Stewart Smith. Stewart is currently the Director of Tennessee Technology Center in Athens. Originally from Rickman Tennessee, he graduated from Tennessee Tech University where he earned his Bachelors with majors in History and Political Science, he then went on to earn his Masters in Educational Leadership. When he is not active in Kiwanis he enjoys Boating, Cinema, Shooting, and exploring East Tennessee. Stewart has been active in the Pancake Breakfast, Christmas on the Square, The BBQ and our Interclub Committee as well as currently serving as our clubs Secretary.

THE TENNESSEE TECHNOLOGY CENTER

The Tennessee Technology Center was established in 1964 to provide citizens in a 45 minute radius the opportunity for skills training. The Center provides full time training in nine high demand areas. Last year TTC Athens placed 89% of graduates in related employment. TTC Athens is a member the Tennessee Board of Regents. Federal, State and Lottery scholarships as well as local scholarships (Thanks Kiwanis) are available. Written By Stewart Smith
